RELATED EXPERIENCE

- Freelance Designer**, Remote February 2026 – Present
- Created schematic designs for single-family residential projects, focusing on layout and space planning
 - Developed mood boards to communicate design concepts, material, and overall aesthetics
 - Produced exterior 3D visualizations for a single-family home and worked directly with clients to incorporate design ideas
 - Explored AI-assisted tools to support the development of client presentation materials and visuals.
- Malik Architecture**, Mumbai, India May – August 2025
Architectural Intern
- Generated a full GFC set of landscape working drawings for a commercial mixed-use project in Meerut.
 - Contributed to concept development for landscape areas in a commercial building in Meerut. Worked from hand sketches to 3D modelling in SketchUp.
 - Created 3D site models and performed slope and drainage analyses using Rhino, Grasshopper, and plugins such as Bison.
 - Produced competition and project materials, including site maps, terrain diagrams, and viewing analyses.
- CBRE Design Collective**, Hyderabad, India August – September 2024
Workplace Design Intern
- Supported a team of five designers by creating working drawings for interior elevations, wall elevations and carpentry drawings using AutoCAD for Lloyds Banking Group and Planful.
 - Created 3D models using SketchUp for CBRE office renovation project.
 - Accompanied designers on site visits and performed quality checks before site handover.
- Yuvasudha Arts**, Hyderabad, India June – August 2023
Design Intern
- Assisted production designer Sabu Cyril and team in developing working drawings for movie sets.
 - Utilized AutoCAD and Rhino for 3D models of buildings and conducted design concept research.
- Studio Nilasha**, Hyderabad, India May – August 2022
Design Intern
- Researched design projects, compiled mood boards and used AutoCAD to edit drawings.
 - Organized vendor materials and maintained the studio library.
 - Created Excel spreadsheets for furniture selections and pricing.

EDUCATION

- Syracuse University School of Architecture**, Syracuse, NY May 2026
Bachelor of Architecture, Minor in Real Estate
Cum Laude
Integrated Design Studio I Team award for Enclosing System and Material Development Spring 2025
- Syracuse Abroad London** Spring 2024
- Syracuse Abroad Florence** Fall 2024
- Related Classes**; Introduction to Architecture, Representation I & II, Architectural History, Building Structures I & II, Building Systems I & II, Architectural Design I, II & III

LEADERSHIP

- Alpha Rho Chi** – Member September 2022 – May 2026
Co-Philanthropy Chair January – December 2023
- American Institute of Architecture Students** – Member September 2021 – May 2026
Treasurer December 2022 – May 2023
- Habitat for Humanity** – Volunteer February 2019 – May 2023

SKILLS

Digital: Revit, AutoCAD, Rhino, QGIS, Grasshopper, Unreal Engine, Twinmotion, Blender, SketchUp, Enscape, Adobe Illustrator, Photoshop, InDesign, Midjourney, Microsoft Excel, Word
Tangible: Hand Drawing, Model Building, Laser Cutting, Woodshop
